Christmas is coming! Let me encourage you to be faithful over the next few weeks as we get down to “crunch” time. Be listening to your CD, be in rehearsals, and most importantly...be in the Word. Pray that we all remain healthy. Pray that God will bless and use our worship time on December 18 to convey the Gospel message in a clear and simple way. Begin encouraging your circle of influence to be here that night. We will have “tickets” for you to give out to invite folks to come. They do not need the ticket to get in, it is just a simple way for you to invite co-workers, family and friends. It has all the information on there that they will need to know.

Christmas begins when the Christ of Christmas is born in the hearts of those who seek Him. He came to us, not because of our merit, but because of His mercy. This could be your time to experience the miracle of Christmas, this could be your time to come to the hallowed manger ground. This could be your time to behold His glory, come and worship. This could be your First Noel. Experience the thrill of the First Noel on Sunday, December 18 at 8:00 PM.
